

SCHOOL PROFILE

The Millinocket School Department is dedicated to providing a world-class education that is rigorous, relevant, and motivating to ensure that students reach their individual potential in an environment of continual learning for both student and staff. Whether you want to improve your English or you are looking to advance your studies in Science, Math, Business, Language, Social Sciences, or Performing and Visual Arts, we believe you will find courses to meet your needs. The Science Department provides students with the opportunity to perform cutting edge science experiments. Stearns High School also offers a wide variety of Advanced Placement courses. Millinocket School District's Stearns High School is the place for international students of all levels to gain a wonderful experience.

Community Information - Millinocket is a small town located in the north central part of the State of Maine. The area features beautiful forests, numerous lakes, scenic views, many recreational opportunities. Baxter State Park contains over 200,000 acres of unspoiled wilderness that is ideal for hiking, camping, mountain climbing, fishing, and many other activities. Millinocket also offers a four-season recreational opportunity. The area has some of the best snowmobiling trails in the State and visitors come from many different states each year to enjoy the sport. There are also opportunities for excellent white-water rafting and boating that are very popular with outdoors-minded people during the summer season. With its beautiful landscape, Millinocket offers a truly peaceful yet exciting experience for anyone.
