

## SCHOOL PROFILE

The district supports and inspires their students to think, learn and to care, as well as makes sure that they graduate prepared to be successful in a changing world. The district works to inspire and motivate their students through the many extracurricular activities that they offer, as well as through the large number of AP courses available.

**Community Information** - Fort Collins was named the best place to live in the country by Money Magazine and averages 300 days of sunshine a year. Located in the foothills of the Rocky Mountains, there are many opportunities for outdoor sports and adventures. Known as the cultural capital of Northern Colorado, there are also many chances to enjoy theatre, music and the work of local artists. Old Town is the section of the city where many of these artists can be found. The city is full of fun and interesting restaurants that offer traditional American as well as international fare.
